Leicestershire County Council Elections: 6th May 2021  Conservatives

Deborah Taylor

Deborah has lived in the Bradgate area for all her married life and has served as a local councillor for over **10 years**. Her first Councillor role was at Anstey Parish Council, with most of that time spent as Vice-Chairman. Deborah has represented Anstey at Charnwood Borough Council for over six years, serving as a Cabinet Member for Communities, Wellbeing and Community Safety for three of those years.

She has represented the Bradgate Division at Leicestershire County Council for four years and spent most of that time working within the Children & Families department, proudly taking over as **Lead Member** in the Cabinet in July 2020 for Children, Families and Community Safety.

Deborah has gained a huge amount of **experience** working full-time in her local Councillor roles and is able to deal with all issues brought to her. By knowing who to contact to get **instant results**, Deborah has made a big difference to residents' **well-being**. She has dealt with many **complex** individual issues as well as larger community issues affecting our local Bradgate villages.

In her spare time, Deborah enjoys walking with her two rescue dogs, spending time with family and friends, keeping active and meeting residents in our local villages.

Deborah said "I am very **proud** to have been selected to stand in my home area in this election for the Bradgate villages. I am keen to ensure that the good working practices that I've achieved over the past **10 years** will continue. By working closely, full-time with my **fellow Councillors** in the Bradgate villages, I'll continue to **fight**, and be a **strong voice**, for our local communities. I promise that I'll ensure that residents' voices will continue to be heard, so that **together** we can improve everybody's lives and make sure that Bradgate villages remain a pleasant place to live".

Deborah

P.S. My promise to you is that I will continue to work hard. I will use my experience and knowledge to remain a strong voice for all the Bradgate villages. I'll listen to your concerns and ensure your voice is heard.
