

David SNARTT

A strong local voice for NEWTOWN LINFORD, ULVERSCROFT, WOODHOUSE & WOODHOUSE EAVES

- ✓ Protect the unique identity of our villages
- ✓ Support residents and communities
- ✓ Support Charnwood Climate Change Strategy
- ✓ Support highway safety measures

Charnwood Borough Council Elections 4th May 2023

David Snartt

David was born in the village of Newtown Linford and after serving with the Royal Air Force returned with his family to the village where he has lived for the past 46 years. David has represented the villages of Forest Bradgate Ward at Charnwood Borough Council for the past 20 years. During this time, he believes that he has made a difference, especially helping residents with individual issues and making sure that the villages receive the necessary level of services.

Working with other agencies, understanding the issues concerning local people, David has been actively involved in local community affairs and acting on things that matter to you. He would like to continue with this work representing your interests on the Borough Council.

Please feel free to contact David:

Being part of the Conservative Administration over the past four years, David believes Conservatives have delivered on their promises to provide good services at a fair price. This includes a first class refuse and recycling service.

Over the next four years one of my main aims will be to protect habitats and biodiversity within my Council Ward. This will be a priority when responding to new development. I will continue to offer support to update or create Neighbourhood Plans.

I want to continue to be your Councillor because:

- 1 Continue to support residents in their opposition to new development when it does not conform to the Charnwood Local Plan, Core Strategy.
- 2 Support residents at planning appeals, especially when new developments are not small scale.
- 3 Continue to support good tenants in our Council owned homes and take action to deal with problem tenants.
- 4 I would like to be involved in building on our achievements that we have delivered over the last four years.

"It has been an extraordinary four years since last elected as Councillor for Forest Bradgate Ward in 2019. I was able to see first hand how communities came together during the Covid-19 pandemic to help the most vulnerable. May I take this opportunity to thank all the volunteers and local groups who went the extra mile to help everyone through this most difficult time."

David Snartt

YOUR priorities are MY priorities

- David will continue working to protect the unique identity of our villages, especially green spaces. He will continue to oppose any development that is outside the designated limits to development and support residents at planning appeals.
- He will assist and support accessing grants for local groups in our communities, including using the Member Grant Scheme to help local organisations to continue their good work in the community.
- David has a keen interest in community safety issues and will continue to work with other agencies to reduce crime and anti-social behaviour.

David SNARTT

Forest Bradgate Ward

Local issues. Local action. Local Conservatives.

Promoted by Paul M Taylor on behalf of E. David Snartt, all of Charnwood Conservative Association, Unit 3, Suite 28, O Estate, Queniborough, Leicestershire, LE7 7FP.

 **Conservatives**

Trust us to deliver on our promises

We pledge that our Council Tax will remain one of the lowest in the UK

1

Over 100,000 trees were planted across the borough over the past four years, helping to improve lives, air quality and our environment - another 100,000 will be planted over next four years, doubling the number of new trees across Charnwood.

Conservatives started the work to make the Council net-zero by 2030. We will continue to reduce our carbon footprint to reach this target and encourage residents and businesses across the Borough to follow our lead. Our actions taken will help protect and improve the environment of the Borough, benefiting future generations.

3

We pledge to support the good works carried out by our residents and groups across the Borough through the targeted use of funds over the next four years. We are proud of the support we give residents and groups across the Borough.

Residents tell us that our services are great - but we promise to invest more and improve our waste collection, street cleaning and our open spaces, whilst improving our response times when residents and businesses contact us.

5

We will commit to invest £100 million on improvements to our housing over the next decade. We will improve the way tenants can engage with Charnwood Borough Council by introducing an app, where tenants can interact with the Council any time of the day, any day of the year.

2

4

We'll back Charnwood's £4billion plan for investment in homes, jobs and infrastructure Award winning Council and services
£1m for home energy performance improvements for low income families
Support for local businesses across the borough
Tougher action against Anti-Social Behaviour
